

2021 Erie County 4-H

Foods & Nutrition Judging Results

Congratulations on a WONDERFUL Foods and Nutrition Project Judging! The judges and volunteers were so impressed by your projects and enjoyed hearing about all you learned. Please know that, even if you didn't end up with the result you had hoped for, learning something new is always a great accomplishment and something to be proud of. We hope you enjoyed your projects and increased your knowledge through your 2021 4-H project work!

Key Things to Know:

-  This symbol means you have been selected to represent your project area at the Ohio State Fair in Columbus. **If you would like to compete at the State Fair, you must email Kromer.53@osu.edu by July 29 to register your project.**
-  This symbol means you are eligible to sell in the Small Project Auction at the Erie County Fair on August 13. If you would like to sell a homemade item related to your project area in the auction, you must register for the auction. **If you do not receive an email by Friday, July 30 with more information about the auction, please contact the extension office!**
-  If your name is highlighted in green, you are an overall category winner. You will receive a cash award at the 4-H Award Ceremony on August 10.

All awards will be distributed at the 4-H Awards Ceremony at 6pm on Tuesday, August 10th at the Erie County Fairgrounds. We hope you will plan to join us! Your Judging Sheets will also be given to your club advisor at that time.

We hope you will exhibit your projects at this year's Erie County Fair. Still Project Check-In is 5-8pm on Monday, August 9th.
