Continued on back

11. Only project animals are permitted at the fair. Companion animals are not permitted. The only exception is a nursing cria.
12. Exhibitors may not bring any tack, bedding, equipment, etc. to the fairgrounds until 8 a.m. the Saturday before the fair.
13. Exhibitors are required to furnish their own bedding. Straw is not permitted.
14. Pens will be assigned by the Llama/Alpaca committee.
15. Each exhibitor is responsible for keeping pens, aisles, and tack clean and orderly the entire week of Fair.
16. It is the responsibility of the exhibitor to provide care and groom his/her animal(s) for the duration of the fair. Exhibitors are expected to provide food and water to animals on a regular basis and keep livestock pens clean and neat. If an animal is not being taken care of or a pen is found to be unacceptable by the appropriate livestock committee, a notice will be posted on the pen. Failure to comply within 24 hours will result in the animal being sent home forfeiting the exhibitor's ability to show or sell.
17. Adding any substance to externally build up, change, or alter the shape or conformation of the livestock, including but not limited to rope, false hair, graphite, hemp, and powders (Ohio Livestock Tampering Exhibition Rule 901-19-33). This includes anything with pigment to change or enhance the color of the animal, including but not limited to paint and baby powder.
18. Grooming of animals during the Erie County Fair is limited to the Junior Fair exhibitor, exhibitor's immediate family, 4-H Advisor, FFA Advisor, or livestock species committee members. Immediate family is defined as members of the exhibitor's household limited to parents, step-parents, or legal guardian, brothers and sisters. Exhibitors must be present and actively engaged during the grooming of their project animal(s).

20. Stall decorations must be securely fastened and not present harm to animals or people. The current fire codes must be followed. No balloons are permitted.
21. Exhibitors must dress appropriately for interviews and the show. Exhibitors' appearance should be neat and clean. Proper show attire is long black pants, a white collared dress shirt or blouse, (tucked in at the waist) and footwear that covers the entire foot. Boots are suggested. Clothing should be comfortable and fit appropriately to allow for unrestricted movement. No tennis shoes, open toed shoes or sandals are permitted. Long hair should be pulled back.
22. All exhibitors must compete in showmanship. Exhibitors must show their own animal in showmanship. Exhibitors must also compete in all appropriate classes and the obstacle course. Please note any animal shown in showmanship must also compete in his/her respective class.
23. Exhibitors will be limited to only two entries in the obstacle course class.
