

2022 Food and Nutrition Project Judging

We are very excited to see all of you at the Erie County Fairgrounds on July 26th for this year's Food and Nutrition Project Judging! We are committed to providing an enjoyable judging experience and we ask you to please review the following information to help the morning go as smoothly as possible.

Key Things to Know:

- We will not be holding an awards ceremony the morning of judging. You may leave after your judging has finished. Results will be posted at www.erie.osu.edu on July 27th. **We will host a 4-H Awards Ceremony at 7:00 pm on August 9th and plan to distribute all awards at this time.** We hope you will mark this on your calendars and plan to join us!
- Youth should check in at the registration table at the front of Building 1 (photo below) at their judging time.
- NEW THIS YEAR, projects being exhibited at the Erie County Fair will need to be registered through Fair Entry. If you have questions about Fair Entry or want help getting your projects registered, a representative from the Fair Board will be available at the registration table.
