No Visitors: Please do not come to visit anyone at camp. When families visit at camp it often makes a child homesick and creates a problem for everyone involved. Part of the child's positive experiences at camp is learning how to get along without family members around. Please do NOT promise your camper that you will come and get them if they want to go home!

Campers may NOT use the camp phone to call home ~ phone calls are reserved for emergency situations ONLY.
Cancellation: If for any reason a child who has registered for camp is not able to go, please contact the Extension Office immediately so that we will not expect them at the boat dock.

Refunds:

- Full refunds will be granted to campers who notify us of cancellation prior to camp. After this, there is no guarantee of refund.
- No refund or partial refund can be made to campers who have arrived at camp or who leave for any reason during camp.
- No refunds will be made to a camper who does not notify us of cancellation and does not come to camp.

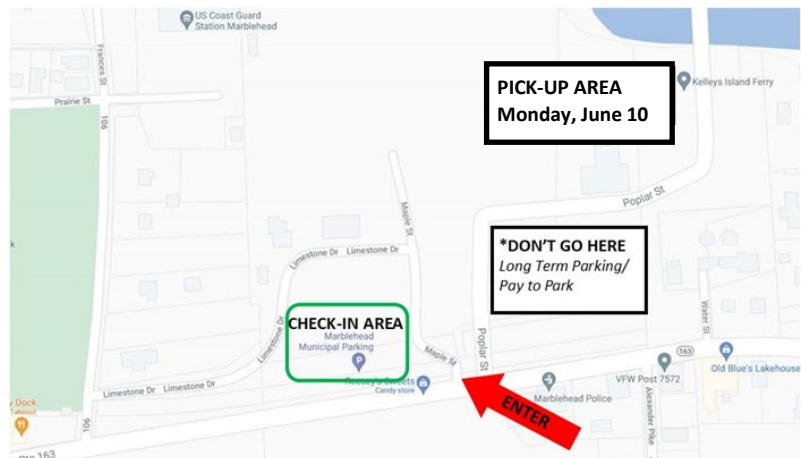

Please do not hesitate to call the Extension Office if you have any questions or concerns about camp. Our number is 419/627-7631; our hours are Monday through Friday, 8:00 am to 4:30 pm.
